SITUATION AND DESCRIPTION

Newton Abbot is a busy market town being the commercial centre and heart of the Teignbridge area with a district population of approximately 125,000 extending to some 300,000 within 12½ miles of the centre. Newton Abbot benefits from a wide catchment area drawing from a large number of small towns and villages in the surrounding area. This is significantly enhanced in the summer by visitors from the nearby coastal towns of Teignmouth, Torquay and Torbay plus the Dartmoor National Park.

Communications are excellent via A380 dual carriageway linking Exeter and the M5 motorway and on into Torquay and Torbay. Exeter is approximately 16 miles distant with Torbay some 10 miles distant. The premises are located on the popular Brunel Road Business Park with easy access to the town, the mainline railway station, and the major trunk roads. Ample parking is available on site.
