SITUATION AND DESCRIPTION

Newton Abbot is a busy market town, being the commercial centre and heart of the Teignbridge area with a district population of approximately 121,000 extending to some 300,000 within 12.5 miles of the centre. Newton Abbot benefits from a wide catchment area drawing from a large number of small towns and villages in the surrounding area. This is significantly enhanced in the summer by visitors from the nearby coast at Teignmouth, Torquay and Torbay plus the Dartmoor National Park.

St Pauls Road is ideally located adjoining Devon Square and just a short walk from the town centre, and yet just 1 mile from the A380 Exeter to Torquay dual carriageway joining with the M5 Motorway at Exeter, which is approximately 15 miles distant. This Grade II listed building provides excellent access for a regional business to connect with the national motorway network. Communications are also excellent into Torbay with Torquay approximately 10 miles distant. The premises are centrally and prominently located in the Period mixed office quarter and prestigious residential area of St Pauls Road and Devon Square, being close to a number of public car parks and offering easy and convenient access to the retail area of the town and the mainline Railway Station on the other side of Courtenay Park. Devon Square, St Pauls Road and Courtenay Park are the principle Residential and office areas in the centre of Newton Abbot with a number of Professional Office occupiers and large family homes.
