

## TO RENT

Storage Units for Museums, Galleries and Archaeological Contractors & Societies  
**Mint House, Pevensey High Street. BN24 5LF**

The Mint House is currently undergoing complete reorganisation and developing into an exciting heritage and creative venue for work & engagement.

Alongside it is this initiative is to create bespoke solutions to the ever-growing issue of museum artefact and archaeological archive storage in the South-East.

- Private and secure site within grounds of historic Grade II\* listed Mint House
- Excellent access to A259 and coast roads and within short walk of main-line rail stations providing direct access to Hastings, Ashford, Eastbourne, Lewes and London
- Interlinked single-story buildings offer storage solutions for museums, galleries and archaeology groups looking for a secure site at a competitive cost
- Box or pallet-storage through to 5,000 sq ft of open space or pre-racked units
- Cloud-based security cameras and environmental monitoring
- Dedicated R&D area for researching items next to storage
- Shared kitchen and toilet facilities with access to Mint House staff for emergency and routine tasks by arrangement
- Single-unit prices from £10 psf / Single-rack prices from £5 per cubic ft (no VAT)
- Option to include utilities and business rates into one single monthly rent payment
- Long-term or short-term lease options available
