# We also do storage rooms & containers

myownspace

Mark Street • Nottingham • NG10 5AD

Here at My own space, we offer simple and secure self-storage for both long and short-term storage requirements and provide a flexible solution for all personal, business and commercial storage.

We pride ourselves on being simple and secure giving free 24/7 access. Our containers are also covered all round by CCTV and security.

We have a variety of storage options available ranging from 25 sqft to 200 sqft with indoor and outdoor containers and indoor storage rooms, We can even cater for pallet storage and we have trolleys available to transfer your goods to your indoor storage units.

## How it works

My Own Space offers the flexibility to select a unit in the morning and start your business in the afternoon, without any long-term commitments. With just one monthly bill covering rent, rates, bills, and amenities like tea/coffee, there are no hidden costs. All necessary facilities are conveniently located on-site, allowing you to focus on running your business. Our dedicated on-site staff are committed to supporting your success by handling tasks such as signing for deliveries when needed. We adapt to your evolving needs, distinguishing us from traditional self-storage and independent facility rentals. Together, we can foster mutual growth and success. We have units available from 160 - 1000 sq.ft, If you need any larger, please come and speak to us.
