### SITUATION AND DESCRIPTION

Heathfield occupies a convenient position adjacent to the A38 dual carriageway, linking Plymouth and Cornwall to Exeter and the M5 Motorway network. These excellent road communications make it a favoured site for businesses covering the whole of Devon, therefore benefiting from its central and strategic location. Exeter is approximately 18 miles distant with Plymouth some 40 miles distant. Other local business centres are at Newton Abbot which is approximately 5 miles distant and Torquay which is approximately 12 miles, which will be far easier to access once the bypass currently under construction is completed.

International House is a substantial mixed-use building on Battle Road, the main spine road leading into the Heathfield Industrial Estate. The premises are arranged on the ground floor with a good eaves height and vehicular access from a large roller shutter door. To the front is a car parking area with allocated spaces for 4 cars plus a loading and unloading area.

### ACCOMMODATION

Brief details of the accommodation with approximate maximum dimensions are as follows:- (*Library photos awaiting re-inspection*)

**Workshop**                      **26.15m x 10.67m (87'1" x 35'0") max**  
Useful open space with roof lights giving good natural light.

The warehouse has a minimum eaves height of 5.14m (16'10"). Overhead lighting and power points as fitted. Concrete floor.

**Office**                                      **5.77m x 5.03m (18'11" x 16'6") max**  
Suspended ceiling with integrated LED lighting. Carpeted. Dado trunking for power and data. Glazed panels to workshop area.

Roller Shutter door providing full height vehicular access of approximately 4.6m x 3.6m (15'6" x 11'10").

**Workshop Area**                                      **6.02m x 5.77m (19'9" x 18'11") max**  
LED lighting. Dado trunking. Double doors to warehouse area

### Secure Store

**3.14m x 2.97m (10'3" x 9'9") max**

Block built store with lighting. Previously a chemical store.

Kitchen area located at the rear of the unit comprising base and wall units. Stainless steel sink unit. Space for fridge.

**Gents Toilet** – Low level WC suite with wash hand basin

**Ladies Toilet** – Low level WC suite with wash hand basin.

### EXTERNALLY

To the front of the unit is a level loading and unloading area with 4 reserved car parking spaces.

### RENT AND TUNURE

A rent of £20,950 pax plus VAT is sought for this substantial Industrial unit by way of a new six-year FRI lease, contracted outside of the Landlord and Tenant Act, with a rent review and tenant break clause at the mid-point providing 6 months prior written notice.

A service charge is payable for the maintenance of the roof and the external landscaping and management of the estate. The tenants will reimburse the Landlords for the proportionate Buildings insurance premium.

### LEGAL COSTS

A contribution of £395 plus VAT is required towards the landlord's legal costs, including abortive costs, for setting up of the lease.

### RATES

Rateable Value: - £14,500 (2023 valuation)

We understand that qualifying business will benefit from a rate reduction of up to 100% under the Small Business Rate Relief Scheme. To see if you or the premises qualify for this discount please contact Teignbridge District Council (01626 361101)

### ENERGY PERFORMANCE CERTIFICATE

An EPC has been obtained, a summary is shown below, with a full version available to download from the web site. The rating for the premises is: C 75

### SERVICES

We understand that mains water, drainage and electricity (including 3 phase) are available to the premises.

### VIEWING

### Rules on letting this property

Properties can be let if they have an energy rating from A+ to E.

### Energy efficiency rating for this property

This property's current energy rating is C.

Properties are given a rating from A+ (most efficient) to G (least efficient).

Properties are also given a score. The larger the number, the more carbon dioxide (CO2) your property is likely to emit.

### How this property compares to others

Properties similar to this one could have ratings:

If newly built **21 | A**

If typical of the existing stock **62 | C**

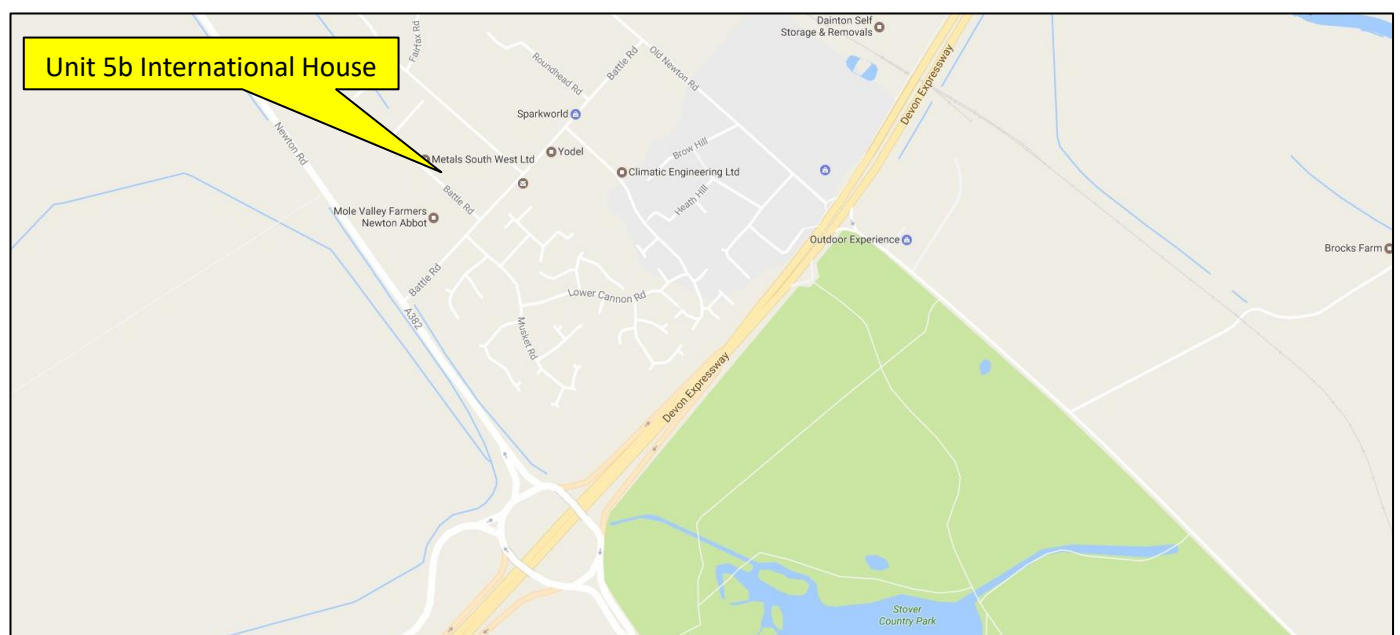

### Breakdown of this property's energy performance

Main heating fuel	Natural Gas
Building environment	Heating and Natural Ventilation
Assessment level	3
Building emission rate (kgCO2/m2 per year)	20,74
Primary energy use (kWh/m2 per year)	122
