SITUATION AND DESCRIPTION

Newton Abbot is a busy market town, being the commercial centre and heart of the Teignbridge area with a district population of approximately 121,000 extending to some 300,000 within 12.5 miles of the centre. Newton Abbot benefits from a wide catchment area drawing from a large number of small towns and villages in the surrounding area. The premises are located fronting Bank Street, just off the prime area of Courtenay Street by the famous Wolborough clock tower close to Austin's department store. Newton Abbot offers convenient access to the A380 Exeter to Torquay dual carriageway joining with the M5 Motorway at Exeter, which is approximately 15 miles distant, or Torbay and Torquay to the South which is approximately 10 miles distant.

The premises are located in a busy thoroughfare with a range of local retailers and a number of local and national Estate Agents. The premises would therefore suit either a retail use, or possibly a more office style use seeking to gain a visible presence in this busy market town, subject to any necessary consents. The first floor offers very useful office or storage space with windows to the front, plus a kitchen and toilet. The property is convenient for a number of public car parks.
