## SITUATION AND DESCRIPTION

The Torbay Business park is an established, high quality business estate located in the popular commercial area of Long Road, Paignton, and benefitting from good regional road communications with easy access to the A3022, Paignton to Brixham Road, which links to the A380 Trunk Road and the South Devon Highway. Paignton forms part of the Torbay conurbation with a total resident population of approximately 135,000. Both Paignton and Brixham town centres are within an easy drive from the site, with it being located on a major link road and bus route. Paignton's Railway Station offers connections to Exeter and London Paddington, with the M5 Motorway accessed via the A380 dual carriageway from Newton Abbot to Exeter via Junction 30 of the M5 at Exeter. This then leads to the A30, A38, A303 and the National Motorway network plus Exeter Airport with its range of National and International flights.

The premises are a mid terraced Unit with generous loading and unloading access to the front and 5 allocated car parking spaces. The unit has previously been used as a warehouse, but also has a small office located to the front with toilet accommodation. The premises have a minimum eaves height of 5.57m (18'3") rising to 7.8m (25'7") in the centre making this ideal for a warehouse operator looking to rack out the Unit.
