SITUATION AND DESCRIPTION

Newton Abbot is a busy market town, being the commercial centre and heart of the Teignbridge area with a district population of approximately 121,000 extending to some 300,000 within 12.5 miles of the centre. Newton Abbot benefits from a wide catchment area drawing from a large number of small towns and villages in the surrounding area. The premises are just a short walk from the avenue, the town centre and the Main Line Railway Station. Newton Abbot offers convenient access to the A380 Exeter to Torquay dual carriageway joining with the M5 Motorway at Exeter, which is approximately 15 miles distant, or Torbay and Torquay to the South which is approximately 10 miles distant.

The premises are centrally and prominently located fronting the corner of Jetty Marsh Road and Newton Road offering easy access to both the Town centre, but also Kingsteignton and the A380 dual carriageway, and Heathfield and the A38 dual carriageway. The premises have been used for many years as a Garage for a racing and specialist car workshop on the ground floor with their 3 bedroom apartment over the top. The remainder of the stone buildings have then been let to a removals company for storage. The premises have in the past had planning consent granted for Residential Development, but this has now lapsed. The premises would therefore suit either redevelopment, or for an owner occupier to use the commercial space and either live in the apartment or rent this out for a useful income. The central courtyard is gated and secure and offers parking for up to 10 cars. The premises are now offered with vacant possession.

PLANNING

We understand the premises have most recently been used as a specialist motor engineer on the ground floor workshop with a 3 bedroom owners apartment over. The additional 2 storey stone buildings have been used for furniture storage.

In addition in 2004 and renewed in 2009 planning consent was granted for the conversion of the buildings into 8 two and three bedroom dwellings with garaging and parking, which has now elapsed. (Application No:- 2004/3725/01/04)

Interested parties in the development of the buildings are recommended to make their own enquiries with Teignbridge District Council Planning Department (01626 361101) to ensure their proposed use will be acceptable. The vendors have confirmed that they are not seeking subject to planning offers.
