SITUATION AND DESCRIPTION

The premises occupy a most convenient position on this popular and sought after trading estate approximately 1 mile to the West of Newton Abbot town centre and yet just 1 mile from the A380 Exeter to Torquay dual carriageway joining with the M5 Motorway at Exeter, which is approximately 15 miles distant. This provides excellent access for a regional business to connect with the national motorway network. The premises would suit a variety of potential users, particularly where outside storage was important for car parking, material or product storage or for the parking of plant or vehicles on the Yard area to the front of the Unit.

Newton Abbot is a busy market town being the commercial centre and heart of the Teignbridge area with a district population of approximately 121,000 extending to some 300,000 within 12.5 miles of the centre. Its ease of communication to all the major settlements in the County makes it a popular business destination.
