Hammond Business Centre

Warwickshire County Council's Business Centres are purpose-built to support the growth of small and medium-sized enterprises (SMEs) across the county.

Strategically located throughout Warwickshire, we offer flexible, high-quality office and industrial space designed to meet the evolving needs of local businesses, from first-time office users to expanding enterprises.

By choosing a Warwickshire Business Centre, you're not just renting space, you're joining a thriving, supportive business community backed by a council committed to your success.

What sets us apart

Council-backed confidence:
As a publicly owned initiative, our centres reinvest in the local economy, offering stability, transparency, and a commitment to community growth.

Tailored for SMEs: Whether you're moving from a home office or scaling up, our spaces adapt to your journey.

Flexible terms: Easy-in, easy-out 28-day break clauses with no hidden costs.

Majority of units fall under the threshold for rates relief meaning zero rates payable.*

Modern facilities: From offices to light industrial spaces, meeting rooms, and 24/7 access.

Supportive ecosystem: Our teams understand local business needs and connect you to Warwickshire's wider business support network, including the Skills Hub and Business Growth Warwickshire programmes.

Community-driven: Communal spaces and events foster collaboration, wellbeing, and networking.

***We advise all parties to seek advice from the relevant local authority.**
