SITUATION AND DESCRIPTION

The site is located just outside Chudleigh, close to the A38, and with easy access to Heathfield, Bovey Tracey and Newton Abbot all of which are within 5 miles distance. Exeter is a historic Cathedral City and forms the main administrative centre for the County of Devon and is approximately 12 miles distant. Exeter is a University City and the capital city and County town of Devon, having firmly established a reputation of being the commercial centre of the South West. The city has a population of approximately 110,000 with a 'drive to work' population of some 480,000 within a 45 minute catchment area. The development is located on the edge of Chudleigh, with access either from the town centre, or via Old Way which leads directly off the flyover bridge at the Chudleigh junction of the A38. Access is also easy to the A380 dual carriageway which links Newton Abbot to Torbay including Torquay, Paignton and Brixham.

The premises have been constructed to a high standard including feature brick elevations under a tiled roof with uPVC double glazed windows and doors. The units are constructed to offer highly insulated accommodation which will reduce annual running costs, and will include a PV installation providing electricity direct to the unit, plus a dedicated electric car charging point outside. Heating is via an eco-friendly Air Source Heat pump. The site is a new development adjoining the existing residential development, and offers self-contained Office buildings which are suitable for a variety of potential occupiers.
