## LOCATION

Doman Road is accessed via Glebeland Road, which adjoins Stanhope Road, the main spine road serving Yorktown Business Park. The estate is 1.5 miles north of the M3 motorway junction 4 and about 1 mile west of Camberley town centre. Yorktown Industrial Estate is the largest of the commercial estates within Camberley.

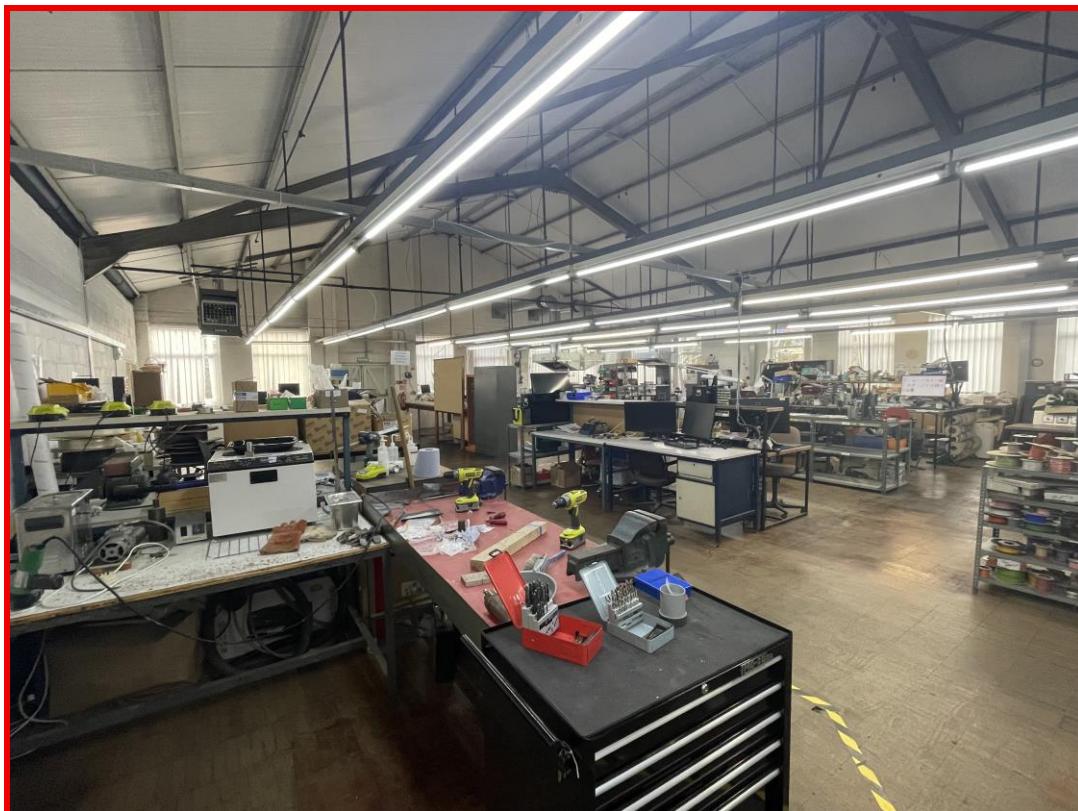

## DESCRIPTION

The whole of 12 Doman Road is let to our clients on a long term lease basis, and they wish to underlet out the Southern side of the building (within the picture shown as modern brickwork without windows), approximately 50% footprint of the building.

The space being offered is rectangle in shape, all ground floor, and has good LED lighting and a gas blower for heating, there is an electrically operated loading door, front pedestrian door and a rear fire exit door. Currently the floor is finished in wooden parky flooring, however, this can be removed to expose the concrete floor beneath. A new separate toilet block will be provided for this side of the building.

The unit has excellent natural light as there are multiple windows to the side and to the rear walls of the building.

Externally, there are 8 parking spaces reserved for this side of the building plus loading/unloading.
